The undersigned student and parent agree and understand that skiing/snowboarding/snowblading ("skiing") are hazardous sports, and that bare spots, variations in snow, ice and terrain along with bumps, moguls, stumps, forest growth, debris and rocks along with towers, fences and other hazards or man-made obstacles exist within the ski area. In skiing as part of the Boston Mills/Brandywine School/Club Program, such dangers are recognized and accepted by the undersigned whether they are marked or unmarked. The undersigned skier/snowboarder/snowblader ("skier") realizes that falls and collisions do occur and injuries may result and therefore assumes the burden of skiing under control at all times. The undersigned skier and parent or guardian of said skier further agree to assume any and all risks inherent to or associated with the sport of skiing.

If undersigned is renting equipment from Boston Mills/Brandywine, undersigned accept for use said equipment to be supplied by Boston Mills/Brandywine and accept full responsibility for the care of this equipment. Undersigned has made no misrepresentations to Boston Mills/Brandywine regarding this user's height, weight, age or skier type.

Undersigned understand that the sport of skiing and the use of ski/snowboard equipment involve a risk of injury to any and all parts of the skier's body. Undersigned hereby agree to freely and expressly assume and accept any and all risks of injury to the user of this equipment while skiing.

Undersigned understand that the ski equipment being used forms a part of or all of a ski-boot binding system which will NOT RELEASE at all times or under all circumstances and that it is not possible to predict every situation in which it will or will not release, and that its use cannot guarantee this skier's safety or freedom from injury while skiing. Undersigned further agree and understand that this ski-boot-binding system may reduce but does NOT ELIMINATE THE RISK of injuries to the lower portion of the skier's leg. However, undersigned agree and understand that this ski-boot-binding system may NOT reduce risk of injuries to this user's knees or any other parts of this user's body.

Undersigned are also aware that the snowboard boot/binding system IS NOT DESIGNED OR INTENDED TO RELEASE. Undersigned hereby freely agree to assume and accept any and all known and unknown risks of injury while using this equipment.

To the fullest extent allowed by law, the undersigned agree to release Boston Mills/Brandywine Ski Resort, its employees, officers, directors, instructors, ski patrollers, agents and owners, from any and all responsibility of liability for injuries or damages to the user of said rental equipment, or to any other person. Undersigned agree NOT to make a claim against or sue Boston Mills/Brandywine Ski Resort, its owners, officers, directors, employees, instructors, ski patrollers, and agents for injuries or damage relating to skiing and/or the use of said ski/snowboard equipment.

We the undersigned hereby agree to accept the terms and conditions of this contract. This document constitutes the final and entire agreement between Boston Mills/Brandywine Ski Resort and the undersigned. Boston Mills/Brandywine Ski Resort, itself, provides NO WARRANTIES, express or implied, and said equipment is accepted "as is."

We the undersigned have carefully read this agreement and release of liability and fully understand its contents. We, the undersigned, are aware that this is a release of liability and a contract between us and Boston Mills/Brandywine Ski Resort and we, the undersigned, sign it of our own free will.

This document is a legally binding contract which supercedes any other agreements or representations by or between the parties and which is intended to provide a comprehensive release of liability, but is not to assert any claims or defenses which are prohibited by law.

Boston Mills/Brandywine Management will revoke skiing privileges (lift tickets or season passes or school tickets) when a skier is identified as having violated any of the Responsibility Code, printed in this brochure. The code in this brochure is a partial list. Be safety conscious and courteous at all times. When a skier has violated any of the responsibilities in the code or others posted at the skiing area, a member of the Ski Patrol or other designated employee will advise the skier of the violation in a firm but courteous manner, including how the skier may have endangered him/herself or another skier. The employee will then:

1. Issue a warning ticket.
2. Take the skier to management and provide management with information about the violation.

Management will then, based on the seriousness of the violation and any previous violation, inform the skier of the period of revocation or indefinitely suspend the violator's skiing privileges. A record of the situation, including the skier's name, courtesy staff member involved, date, nature of the violation and action taken will be made by management and retained in the office. I have read and understand the rules and accept the above terms and conditions. BMBW reserves the right to suspend or revoke ski/snowboard privileges for any reason.

I (We) understand and agree to the terms and conditions above. I (We) further agree to release, indemnify and hold harmless Boston Mills/Brandywine from any and all liability in any action arising from any accident or injury that may occur while skiing/snowboarding/snowblading/snow tubing.
